

- Category**
- Seal, Double Acting Piston
- Construction**
- Polyurethane rectangular ring
- Housing**
- Rectangular groove in one piece piston
- Comments**
- Used in Australian phasing cylinders
 - Retrofit only
- Size Range**
- Imperial

- Specifications**
- BPS seals are recommended for retrofit only and no performance data is available

Imperial Sizes

Part No.	ØD	Ød	H
BPS300	3.000	2.420	0.250
